PROFESSIONAL PROFILE

Passionate Fullstack Developer with a strong foundation in technologies such as **React.js**, **JavaScript**, **Node.js**, **Express.js**, and **MongoDB**. I have completed personal projects where I applied this knowledge to create interactive and efficient web applications. Proficient with development tools like **Figma**, **Webpack**, and **Jest**, and experienced in working with cloud platforms like **Google Cloud**. My focus is on continuous learning and consistently improving user experiences, always aiming to optimize performance and scalability. Motivated to apply my technical skills in a professional environment and contribute to the development of innovative solutions.

TECHNICAL SKILLS

React.js | Javascript | HTML | CSS | Node.js | Express.js | MongoDB | Google Cloud | Figma | Jest | Webpack
Languages: Bilingual in Spanish and English

PROFESSIONAL EXPERIENCE

Teleperformance

May 2023 – April 2024

Bilingual Customer Service Representative

- **Technical Problem-Solving:** Resolved complex technical issues, demonstrating strong debugging skills to enhance end-user experiences.
- **Process Optimization and Goal Achievement:** Met and exceeded key KPIs (such as First Call Resolution), developing time management and efficiency in delivering results.
- **Remote Collaboration and Communication:** Effectively coordinated with teams and clients in virtual environments, ensuring smooth collaboration in remote development projects.

PROJECTS

News Explorer

A website that allows users to explore news from various sources, search content by keywords, and save articles as favorites upon logging in.

[GitHub Repository](#)

Frontend: **React**, **CSS**, **HTML**, **JavaScript** | Backend: **Node.js**, **Express**, **MongoDB**, **JWT** (JSON Web Tokens), **Winston**.

Blog De Viaje (Blog Of Travel)

An interactive blog where users can manage their profiles, add posts about their travels, and display images with engagement options like "likes."
